

Shalfleet Village Hall -
Bookings' Report.
for meeting on 2nd July 2021.

Regulars:-

Since 17th May, some of our regulars have returned and are holding socially distanced classes. Those restarted are Larni Murthwaite's Rise & Shine workouts on Monday morning on the grass outside, Larni's Musical Theatre & Dance for children on Monday afternoons, Jenny Andrews-Smith's yoga on Thursday mornings and Tony Farrell's saxophone class on Thursday evenings.

Jenny will be starting in July an extra yoga class on Tuesday evenings.

The other regular classes are expected to restart but no firm dates have been set.

The Craft Group has relocated to Porchfield Village Hall but it's not impossible a splinter group might meet up here in their place.

Wedding & Other Hirers:-

The picture for 2021 has now clarified and there will be two Wedding Receptions, one Wedding Anniversary, one Funeral Wake and two Baby Showers this summer.

The W.I. are holding a welcome meeting for new members on Thursday 22nd July.

Catherine, Maureen and my plans for our own Village Hall Open Day on Saturday 7th August are well advanced.

John Whitney has booked the Hall for the Andy Jackson Memorial Concert for Friday 29th October. As a charity fundraising event it has been agreed the Hall hire will be free.

In 2022 we have one firm Wedding Reception booked and three more that have verbally confirmed but awaiting deposit.

Also one Wedding Reception confirmed for 2023.

Covid-19:-

Coronavirus restrictions have eased slightly since May 17th and a limited amount of bookings have been taken. The lifting of restrictions is expected to take place on July 19th, which has resulted in a flurry of wedding enquiries and I'm hoping for more parties.
