

Shalfleet Village Hall -
Bookings' Report.
for SHS meeting on 13th January 2023.

Regulars.

We now have 11 weekly and 3 monthly regular hirers.

The saxophone music group has enquired about a second class.

The newly formed Shalfleet Craft Group has been very well received by the village with over a dozen regulars.

I am hoping the Home Start sponsored mother & toddler group will start shortly after the two leaders have completed their training.

Wedding Hirers.

We had 5 wedding in 2022 and we have 13 booked for 2023.

Other Hirers.

Commercial bookings have shown a steady increase particularly with the WCTI training organisation and a repeat visit from Island Food's foraging course.

Church.

The church continue to use the hall on most Friday afternoons for choir practice.

In January they will be holding their Sunday service in the Hall to protect the congregation from the extreme cold of the church building.

Outreach.

Lunch club continues to be popular with the Christmas lunch being especially busy.

Tuesday Teas has had only a few people in last couple of months but the smaller numbers has not diminished its importance to those who came.

I attach;

Sat.-Sun. Bookings, Regulars Spreadsheet. 2023 Hire Rates Michael. 7th January 2023
