

Shalfleet Village Hall -
Bookings' Report.
for SHS meeting on 12th May 2023.

Regulars.

Jenny has decided to cancel her Thursday evening booking (7.15pm start) due to dwindling number of people to start at that late time.

The W.I. has resolved its treasurer issue and is looking to book for the remainder of the year.

Abby & Angel have occasional times when they are unable to hold their Stay & Play group.

The Saxophone group has had further changes in its composition, they currently have only 3 members so I have reduced their hire rate for a limited time to allow them time to recruit more members.

Wedding Hirers.

There are 13 wedding receptions booked for the year, 11 of which are in the peak June to September time. We have received one cancellation this week for 16th September. (The vacancy slot will not be filled). The first reception is on 20th May and only require 2 gazebos which I will erect. Next reception is on Saturday 3rd June and will require both marquees. I am looking for helpers to erect them on Saturday 27th May (I will be on holiday on 3rd June).

I intend to leave the marquees up all summer (if other brides requires an alternative location then they will provide to manpower to walk them to new location.)

Other Hirers.

An engagement party is booked for 10th June and a 50th birthday booked for 15th July. There are nine days booked by the WCTI between May and December.

Church.

The seder meal on 6th April was relocated to the rectory and not held in the Hall.

Outreach.

The Coronation Lunch Party on Sunday 7th May was a great success. See item later on agenda.

I attach;
Weekend Bookings, Regulars Spreadsheet.
