

Shalfleet Village Hall -
Bookings' Report.
for SHS meeting on 14th July 2023.

Regulars.

The saxophone group has had some interest in attracting new members but they are still around 2 to 3 members each week. This may well carry on for several more months and even into next year. Normal hourly hire charge for regular hirers is £8.00, when split into many members (this week's craft group had 13 attendees) this cost is not a burden. At the moment I have accepted a lower charge of £4.00 per hour for the saxophone group, are we happy to continue with this arrangement?

Wedding Hirers.

I have had two wedding bookings for 2025 but I have deferred any decision until later in the year.

The wedding booked for 29th July has cancelled (and deposit refunded) by mutual agreement as they were not prepared to abide with our noise controls.

Some of the existing 2024 wedding enquiries have confirmed and some are still provisional.
