

Shalfleet Village Hall -
Bookings' Report.
for SHS meeting on 10th November 2023.

Regulars.

Jenny has stopped her Thursday evening class as the later start due to the earlier saxophone group has meant some of her attendees have left making the class size untenable. The WCTI have extended their booking into spring 2025.

Wedding Hirers.

We have 5 confirmed bookings for 2024 plus 1 which I am expecting to confirm imminently. The enquiry from an earlier St.Michael's wedding has gone cold with no response in last 3 months.

To avoid the marquees being up all summer, I will be contacting all bookings with a marquee to ask for assistance with both setting up and dismantling so they are only up for the weekend. I also need to purchase 4 poles and a connector to replace those storm damaged in September.

Other Hirers.

There is an active enquiry for a dog obedience class.

Church.

No usage over the summer, but choir practice has restarted in October.

Outreach.

The "Shalfleet Lunch Club", "My Memories, My Island" and "Stay & Play" are all going strong.
