Shalfleet Village Hall -
Bookings' Report.
for meeting on 22nd March 2024.

Regulars.
The new dog training classes have stopped as the trainer needed to be able to have consecutive weeks which proved impossible due to existing hirers. Although that will result in a loss of income, there will be less hassle in cleaning the hall after the class.

Sally is unable to run her Wednesday class every week but does so when she is on the Island.

Wedding Hirers.

We are fully booked for this year with 6 wedding receptions, 3 of which are also getting married at St.Michael's. There is 1 confirmed booking for 2025, the new policy of only offering receptions for weddings held at St.Michael's has slowed the number of successful enquiries for 2025 and beyond.

Church.

Jackie has booked the Hall on Sunday mornings (twice a month) from December to March as an alternative to holding services in a cold church building.
Jackie has also booked the hall for the St.Michael's PCC meetings in 2024.
WWMC has booked the hall for a Deanery Chapter lunchtime meeting on Wednesday 24th April.
The wedding couples preparation day (16th March) was cancelled due to insufficient numbers.
WWMC has also booked the hall for a churchwardens and treasurer's meeting on 11th April.

Outreach.
Cake & classics is going ahead on Saturday 13th April.
