Shalfleet Village Hall Sub Committee Minutes
Date : Thursday 20th June 2024

Members present: Michael Beavis, Sue Sleight & Debbie Lutas

Matters arising from previous meeting:

- MB has not had a reply to his correspondence with the PCC regarding the new curate, Charlotte Hudd. MB feels that the appointment will go ahead on the say so of Jackie Maw. Our understanding is that the PCC will pay her expenses for the days she takes services and SVH will pay travel expenses for community work undertaken approximately one day a month at an approximate cost of £10.00 per day. Agreed that we would like to meet Charlotte to listen to her plans for Shalfleet.
- MB has produced a draft summer picnic poster which was discussed, slight changes to the wording and the photograph of the hall were agreed. We agreed to have CANVA print the invitations at a cost of £60 for 200 A5 size.
- MB has checked the hall risk assessment and all agreed it is fit for the picnic.
- Plaza Ices are not available for the summer picnic so it was agreed to buy a selection of lollies and cornetto style ices from cash and carry or Aldi, approximate numbers @ 36 of each.
- Wightfibre update has been pursued by MB but still no specific timeline of availability yet.
- MB has submitted an advert for the Village News to go into the July edition to advertise the Craft Fayre Nov 9th. MB has contacted all the previous crafters from last year to ask if they would like a table for this year's event.
- DL to email possible logo for WhatsApp letter

Matters discussed

- The quizmaster has been booked for Sat Dec 7th @ £30
- New shed – still waiting for the council planners to make a decision and also Calor gas to determine if the shed is too close to the storage tank. This is a PCC agenda item.
- The boundary wall – MB has been chasing this, the man with contacts, Peter, is aware, awaiting his reply.
- Hall walls – MB has had to fill in a few small holes caused by blown plaster, this has occurred before.
- Hall clock – the new clock is radio controlled but wasn't keeping accurate time, MB has moved the clock to a different area of the hall in the hope that the radio waves will be able to come through the window and keep better time.
- MB gave us an update re the hall finances, things are definitely going to plan, there is an excess of £21,000 in the savings account.
