

Shalfleet Good Neighbours WhatsApp Group

We are proposing to start a WhatsApp group for our Shalfleet community. The purpose of the group is to enable people to ask for help for minor tasks such as changing a battery in a smoke alarm, collecting a prescription, asking for a lift to a hospital appointment etc. The people asking for help will post on the group chat to ask if anyone is available to help. Anyone able to help will offer their service free of charge and simply comment when they would be available, day, time etc.

The more members we have the less onerous the tasks will be for those offering to help.

The chat will not be a platform to rant about local issues but will provide an opportunity to hear about the great things that happen in our village. The administrator of the group reserves the right to remove any post not deemed appropriate.

If you are happy to share your details within the group we would love to have you join us, all details will be stored on the Shalfleet Village Hall Committee phone and will not be shared outside of this group.

Please recommend any trusted villagers to join us.

Please WhatsApp 07541 856934 to join or if you don't have WhatsApp please ring the same number and someone will help you.
